recognizing excellence

Agent of the Year Award

Bell Moving & Storage is one of only two agents in van line history to receive Wheaton's Agent of the Year award twice, once in 2000 and again in 2005.

Quality Agent Award

2007 marked the twelfth year Bell Moving & Storage achieved the Quality Agent Award. Wheaton acknowledges a select group of Agents as Quality Award recipients based on points earned in the Quality Improvement Program. Agents must earn points for customer service, safety, claims, and estimating accuracy. In fact, Bell was recognized as a "Top 20" Agent for highest points earned in 2007.
